Dear Sir/ Madam,

Greetings from SiS Tech!!!!

As you know our country is a youth country and lack of skilled manpower hence to make India more productive, skill development required to youth and Govt. Provide various schemes to achieve this; PMKVY is one of them.

Pradhan Mantri Kaushal Vikas Yojana (PMKVY) is the flagship scheme of the Ministry of Skill Development & Entrepreneurship (MSDE). The objective of this Skill Certification Scheme is to enable a large number of Indian youth to take up industry-relevant skill training that will help them in securing a better livelihood.

**BE A PART OF THE TEAM SKILL INDIA MISSION WITH US. We look forward for the association with you to have a reach PAN INDIA.**

**Thanks & Regards**

**For Swapnil Institute of Software Technologies(SiS Tech)**

## BRIEF ABOUT SCHEME:

### PRADHAN MANTRI KAUSHAL VIKAS YOJANA

**Pradhan Mantri Kaushal Vikas Yojana** (PMKVY) is the flagship outcome-based skill training scheme of the new **Ministry of Skill Development & Entrepreneurship (MSDE)**. This skill certification and reward scheme aims to enable and mobilize a large number of Indian youth to take up skill training and become employable and earn their livelihood. Under the scheme, monetary reward would be provided to trainees who are successfully trained, assessed and certified in skill courses run by affiliated training providers. This will boost the productivity of the country's workforce by enabling them to acquire high quality skill training across a range of sectors. It will also bring about a paradigm shift from input-based to outcome-based skill training in the country. It also seeks to significantly scale up skill training activities in the country and enable skill training to happen at a fast pace without compromising quality. Institutional arrangements comprising of the **National Skill Development Corporation (NSDC)**, **Sector Skill Councils (SSCs)**, Assessing agencies and Training Partners are already in place for implementation of the scheme.

- ✓ It is short term training program scheme
- ✓ Approved for years (2016-2020) to benefit 15 million youth
- ✓ **Allocated Budget 12,000 Crores**
- ✓ No. of Sector Skill Councils- **32**
- ✓ No. of Job Roles – **416**
- ✓ Job role/ course duration divided in hours
- ✓ Payout based on courses category

## OVERVIEW OF SiS TECH

- *SiS Tech, Has been established with an objective to provide skill oriented training courses, for better employability within the parameters defined by the Government of India under different skills oriented schemes.*
- *Different Researches conducted by The different agencies including the Government of India which has revealed that a huge gap exists between supply and demand of productive manpower availability in India, that is why the present Government has focused on the non productive workforce to become productive.*
- *Research studies also suggest that our manpower not only lack the skills to perform the particular job but also lack the sufficient academic knowledge as per the international bench mark. This situation increases the cost inputs as well as the delivery period of finished goods to customer takes long time, so it is absolutely necessary for us to upgrade our skill training program so we are more productive and efficient.*
- *Our achievements:*
  - *ISO certified organisation.*
  - *More than 1500+ students are trained and placed.*
  - *Vocational Training Provider under Min. of Skill Development & Entrepreneurship*
  - *Assessor under SDIS, Ministry of Skill Development & Entrepreneurship*
  - *DOEACC/NIELIT CCC , O level accredited centre*
  - *100+ companies are associated for placement/job*
  - *University Courses councillor for various distance and regular universities.*

*SIS TECH is one of the professionally managed multi-skilling center imparting vocational training through a focused approach which starts from counseling the youth about the skills which they require for better employability.*
