<p><b>M.Sc. ( 4 semester 2 year only)</b></p>	<p><b>Program Introduction:</b></p>
<p><b>Fees:</b> 13000/Yearly</p>	<p>An M.Sc is the standard master’s qualification for courses in STEM and some social science subjects. As you take MSc courses, you’ll focus on a specific area of interest in detail. The coursework consists of individual modules in your chosen discipline, such as engineering, natural sciences, or economics. You’ll also work on an independent dissertation project to graduate, which typically takes two years to complete.</p>
<p><b>MCA Job Opportunities :</b> The jobs after M.Sc course depend on your skills, practical experience, specialization and industry demands. Many candidates with an M.Sc degree receive managerial positions and a chance to lead teams, while some may work under senior management.</p>
